ON-CAMPUS DINING OPTIONS

All students who live in a residence hall are required to have an on-campus meal plan each semester and can choose from any of the three options below. The location of a student's residence hall does not determine which plan they select.

On-campus meal plans are selected through the Housing Portal. Students who do not complete their meal plan selection in the Housing Portal will be assigned the Gold Flex Plan.

Students living in Aspenson Mogensen Hall, Chancellors Hall, Haymarket Landing and The Priory are exempt from this policy but may purchase a meal plan if they would like.
