

PROPOSAL TO THE COB CURRICULUM COMMITTEE, APC, and UNIVERSITY SENATE

Recommendation:

1. Establish a new department formed from the former Business Communication and Information System departments as the Department of Business Communication and Information Systems.

Contingent upon approval of newly established Department of Business Communication and Information Systems, then....

2. Eliminate department: Business Communication
3. Eliminate department: Information Systems

Brief History of Issue—why the issue is being considered: The issue is being considered because of the reorganization of the College of Business during 2022-2023.

Pros of Recommendation:

1. Both IS and BCOM faculty have unanimously voted in favor of adopting the proposed name. It clearly indicates the programs housed in the department.

Cons of Recommendation:

1. We don't see any negative implications of adopting the proposed name.

Technology/Human Resource Impact: None

Other Departments (both within and outside the COB) Impacted: None.

Impacted Department Chair(s) Contacted? Yes.
