Changes proposed by: Paul Kaldjian (kaldjian)

Is this an elimination or suspension?

Suspension

Effective Catalog Year

2023-2024

Additional Teach-out Plan

All of the courses students need to complete the Illustration Comprehensive Major, B.F.A. will continue to be taught and students will be able to complete their degree as they have started under previous catalog years. Advisors are equipped to accommodate students. It is also quite likely that many students, especially sophomores and some juniors, will choose to transition to the 2023-2024 catalog in order to adopt the new comprehensive major that is being proposed (see below).

Rationale for Elimination/Suspension

The Art, Illustration, Comprehensive Major, B.F.A. and the five other 75-credit B.F.A. major emphases will be replaced by the single, comprehensive, and flexible 69-credit Integrative Visual Arts Comprehensive Major, B.F.A. that is concurrently being proposed for the 2023-2024 catalog.
