

The following motions were approved at the Management and Marketing Department meeting on 8/25/2022. Realizing that some motions are contingent upon approval of others, we ask that these changes move through shared governance as required:

1. Create a new course prefix "OSCM"

Rationale: The Operations and Supply Chain Management courses will be housed in the newly created Marketing and Supply Chain Management department. These courses currently use the MGMT prefix which will remain housed in another department (yet to be named).

2. Contingent on approval of (1) above, change the prefixes of the following courses. All course titles, prerequisites, course descriptions, etc. are unchanged with the exception implied by motion (4) below.

<u>FROM</u>	<u>→</u>	<u>TO</u>
MGMT 341	→	OSCM 341
MGMT 342	→	OSCM 342
MGMT 343	→	OSCM 343
MGMT 344	→	OSCM 344
MGMT 363	→	OSCM 363
MGMT 442	→	OSCM 442
MGMT 443	→	OSCM 443
MGMT 452	→	OSCM 452
MGMT 453	→	OSCM 453
MGMT 461	→	OSCM 461
MGMT 493	→	OSCM 493

3. Contingent on approval of (1) above, create four new courses. (Leaving the corresponding MGMT courses intact.) **(We expect OSCM 398 will be added to the credit limit policy for BSAD 398, MGMT 398, and MKTG 398 under separate motion. The OSCM course description below stands independent of those changes.)**

OSCM 398 Internship Program I (1-3 crs)

Prerequisite: [MGMT 341](#). Minimum junior standing.

Consent: Department Consent Required

- *Acceptance in Internship Program. See description under College of Business. A maximum of three credits of [BSAD 398](#), [MGMT 398](#), [OSCM 398](#) and [MKTG 398](#) may be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the Internship.*

Students will participate in work experiences related to their area of interest.

Attributes: LE-I1 Integration, Service-Learning Optional, Internship, Special Course Fee Required

Repeat: Course may be repeated for a maximum of 3 credits

OSCM 498 Internship Program II (1-3 crs)

Prerequisite: [MGMT 341](#). Minimum senior standing.

Consent: Department Consent Required

• *Acceptance in Internship Program. See description under College of Business. Additive credit only. May not be applied to the 120-credit graduation requirement. Students must have the service-learning option approved prior to starting the Internship.*

Students will participate in work experiences related to their area of interest.

Attributes: LE-I1 Integration, Service-Learning Optional, Internship, Special Course Fee Required

Repeat: Course may be repeated

OSCM 399 Independent Study Projects (1-4 crs)

Prerequisite: Minimum junior standing.

Consent: Department Consent Required

Individual project under the direction of a faculty member.

Repeat: Course may be repeated

OSCM 499 Independent Study Projects (1-4 crs)

Prerequisite: Minimum senior standing.

Consent: Department Consent Required

Individual project under the direction of a faculty member.

Repeat: Course may be repeated

4. Contingent on approval of (1) and (2) above:

- (a) Replace all instances of courses listed in motion (2) above to use the OSCM-prefixed courses in the program requirements for any major/minor/certificate etc. (Any program wishing to remove any of the OSCM programs from their program requirements are free to do so under separate motion.)
- (b) Replace all instances of courses listed in motion (2) above to use the OSCM-prefixed courses in the course prerequisites for any course.
- (c) In the requirements for the Operations and Supply Chain Management major use OSCM 398, OSCM 498, OSCM 399, OSCM 499 in place of the existing MGMT prefix courses.
- (d) Implement any additional catalog changes that naturally follow from the changes described above.

Example: The program requirements for the Operations and Supply Chain Management major will appear as follows:

Operations and Supply Chain Management Major

Sixty semester credits, including the 29-credit BUSCORE and 31 additional credits as follows:

Code	Title	Credits
Required Courses		21

IS 455	Project Management	
MKTG 336	Business Logistics Management	
HIP Assessment ³		
Course List		

1

Students must pass one of the APICS Certified in Production and Inventory Management (CPIM) examinations. Students who meet all requirements for this emphasis except the certification exam are considered to have satisfied requirements for the Management major.

2

With three credits at most from [OSCM 399](#), [OSCM 499](#).

3

Operations and Supply Chain Management majors must complete the High Impact Practices (HIP) assessment during their last semester.

- At such time that the course catalog reflects the new College of Business department structure, these courses will appear under the Marketing and Supply Chain Management department section of the catalog. Nonetheless these changes can be approved and implemented under the current department structure as needed.
