**Is this an elimination or suspension?**

Suspension

## Effective Catalog Year

2023-2024

## Additional Teach-out Plan

German courses will still be offered as we are retaining the German Minor, Liberal Arts and the German Proficiency Certificate. The needs of German majors will be accommodated via courses that continue to be offered, or fulfilled through study abroad or independent/directed study. Currently, four students are enrolled in this program. Three will graduate within the next semester or two.

## Rationale for Elimination/Suspension

Reduction in faculty, few students, reduction in course array.
