

New Student Organizations Fall 2022

Badminton Club (re-activation)

The Badminton Club's purpose is to offer the opportunity to students to play badminton in a fun and inviting environment for players of any level.

5-0-3, Organization Approved

Chess Club (re-activation)

The purpose of this organization will be to organize chess matches between students, faculty, and staff.

5-0-3, Organization Approved

College Democrats (re-activation)

The purpose of this organization will be to promote, fight, and advocate for progressive ideals on campus, and elect Democratic and progressive candidates up and down the ballot in every place, in every race.

4-0-4, Organization Approved

Rod and Gun Club (re-activation)

This club strives to connect students who love the outdoors and set them up for success by providing hunting gear and experience from older members.

5-0-3, Organization Approved

Honors Student Council (name change)

The Honors Student Council is a student led, student run organization whose purpose is to encourage greater involvement in the University Honors Program. We strive to better the understanding of the benefits and resources that the Honors Program offers as well as providing our own. This organization fosters a sense of community among Honors students that furthers the feeling of safety and openness in the university environment.

5-0-3, Organization Approved

Optimist Club (re-activation)

The purpose of this organization as a professional service organization is to bring out the best in youth, community and ourselves by developing projects with young people and their families.

5-0-3, Organization Approved

Spikeball Club (new)

Spikeball Club is established with the purpose to promote an active spikeball community on campus as well as provide an enjoyable way to maintain physical and mental health.

5-0-3, Organization Approved

American Sign Language Honor Society (re-activation)

The purpose of this organization will be to provide opportunities for students and community members to come together and work on their expressive/receptive American Sign Language skills and other projects. This organization also works to raise awareness on campus and in the community about Deaf culture and American Sign Language, while also developing a positive rapport between UWEC and the Deaf community.

5-0-3, Organization Approved

UWEC Curling Club (re-activation)

The purpose of this organization will be to teach others how to curl and spread information about curling to possible interested people.

5-0-3, Organization Approved

Child Life (new)

The purpose of this organization will be to increase the understanding of the Child Life profession by acquiring knowledge and experiences through guest speakers, conferences, and volunteer experiences. In addition, we want to provide a support network for students pursuing their Child Life Certification.

5-0-3, Organization Approved

The Table Toppers (re-activation)

The purpose of The Table Toppers will be to: A. Gather students who have an interest in playing Tabletop RPG games (not including board games, strategy games, card games, chess or any other game associated with other student organizations at UWEC) B. Organize bi-weekly sessions for members and non-members to show up to gatherings and play tabletop RPGs. C. Foster creativity in young storytellers through many beloved and timeless role-playing games. D. Create a community in which people are proud and confident with who they are. E. Provide an outlet for people to express themselves in a way they would not be able to outside of the game

5-0-3, Organization Approved

Chemistry Student Safety Team (new)

The Chemistry Student Safety Team strives to cultivate a safety culture in the department of chemistry and biochemistry laboratories of University of Wisconsin - Eau Claire by comprehensively promoting student awareness, ownership, and observance of chemical safety.

5-0-3, Organization Approved

Adapted Activity Advocacy (new)

The purpose of this organization is to create more opportunities for people with disabilities to participate in physical activity. The organization will host monthly open gym sessions with the community, oriented to one of the three disability categories (physical, sensory, or intellectual; changing each month). At these sessions, participants will learn about existing adapted sports and participate in activities planned and facilitated by organization members. This organization will give members hands-on experiences working with people with disabilities in a sport setting.

5-0-3, Organization Approved

Beta Gamma Sigma (re-activation)

Providing leadership and volunteer opportunities to develop career and academic skills

5-0-3, Organization Approved

Biomedical Engineering Society (new)

The purpose of the Biomedical Engineering Society is to establish a community for individuals/students interested in the field of biomedical engineering, attend national conferences/webinars/workshops, become involved within the BME program at UWEC, invite key speakers to come and discuss research/career in BME, allow students to build resume for future careers, and allow students to network for careers and volunteering opportunities.

5-0-3, Organization Approved

Concert Dance Company (re-activation)

The purpose of this organization is to stimulate interest and active participation in various types of dance (including but not limited to jazz, tap, ballet, modern, hip hop, and ethnic styles – i.e. African) and to develop a deeper understanding and appreciation for dance.

5-0-3, Organization Approved

Chinese Student and Scholar Association (re-activation)

Enrich campus life for Chinese Student and provide a platform for international students to learn about Chinese culture.
