*Service Learning is an opportunity for students at UW-EC—Barron County to give back to their local or home community or even a community abroad. It provides a way to learn skills, investigate careers, and build a personal network. Service Learning makes education a collaborative effort; students benefit society by exercising the rights and responsibilities of citizenship. See more information and find examples of Service Learning projects online. <https://www.uwec.edu/service-learning/students/>*
