The Power of **AND**

Greetings,

On behalf of the faculty and students in the Department of Music and Theatre Arts at University of Wisconsin-Eau Claire, I am pleased to welcome you to the Honor Band Festival. Congratulations on being selected to participate in this event! We hope that it is a rewarding experience for you. Engaging with other serious and talented musicians, challenging music, new artistic ideas, and serious instruction hopefully will create an experience that leads you to new plans and possibilities. It can give you a sense of what takes place in our department on a daily basis.

Having taught music history at UW-Eau Claire for over twenty years and now serving as chair, I am very proud of our department and university. For over 100 years, our campus has been known for its rich musical traditions and achievements. Our large, high-quality, all-undergraduate music program, offers a unique educational experience for our students with degrees in music education, performance, theory, composition, music history, and liberal arts. In addition, our department, which is the only one in the UW-System that combines music and theatre arts, offers a variety of theatre degrees, including musical theatre, as well as certificates in dance and fine arts management.

Each year, the department sponsors approximately two hundred fifty performances. All UW-Eau Claire students have access to a wide variety of ensemble performance experiences in music, including three concert bands, four jazz ensembles, two orchestras, a 400-member marching band, six choirs, an opera/musical workshop, and numerous chamber ensembles. Likewise, all theatre productions are open to all students, regardless of major. In addition, our students are involved in numerous extra-curricular groups and organizations associated with music, music education, theatre, and dance. For more information about our offerings, please explore the department's web site. (<https://www.uwec.ly/mus-the>) Don't hesitate to contact us with questions!

Sincerely,

Dr. Gretchen Peters

Bands Centennial Celebration

The 2022-2023 academic year marks the Centennial Celebration of the University Bands at UW – Eau Claire. In 1922, student leader Forrest Mortiboy and twenty fellow students formed the first band at UWEC. Today, the University Band program consists of three concert bands (Wind Symphony, Symphony Band, University Band), four jazz ensembles and combos, the Blugold Athletic Band (BAB), the Blugold Marching Band (BMB), and serves over 700 UWEC students across every major on campus. The ensembles frequently perform on campus, in the community, region, country, and internationally.
