

McIntyre Library Gift Policy

The UW-Eau Claire Foundation welcomes [contributions](#) designated for McIntyre Library.

McIntyre Library Special Collections and Archives collects and preserves materials that document the history of the University of Wisconsin-Eau Claire, the history of the Chippewa Valley (with an emphasis on Eau Claire, Chippewa, Clark, Taylor, Rusk and Buffalo Counties), and unique collections which support and enhance teaching and learning at the University. To discuss a potential donation, contact Special Collections and Archives at library.archives@uwec.edu or 715-836-2739.

We appreciate the generosity of those wishing to donate treasured collections to the Library. Due to space constraints and the high cost of processing items, we are unable to accept most donations of books, periodicals, or audiovisual material. Your local public library may accept your items for a book sale. Charitable organizations and used bookstores may also accept some items.

If you feel your potential gift is of critical research value, please contact McIntyre Library Administration at lib.exec@uwec.edu and provide your name and contact information, along with a description of the material.

Thank you for your interest in supporting McIntyre Library.
