Holiday Concert

12 • 4 • 2022

PRESENTED BY

The Department of Music and Theatre Arts
and The UW-Eau Claire Foundation, Inc.

Holiday Greetings from Chancellor Schmidt

Welcome to the University of Wisconsin-Eau Claire's 48th annual Holiday Concert!

This annual event always is a high point of the season for me — an occasion that brings out the holiday spirit in us all. This year's concert returns to the stage in the majestic Pablo Center at the Confluence, the jewel of our flourishing arts community. The performing arts center is the perfect backdrop to again gather together and enjoy Blugolds' amazing musical talents.

Students in a wide variety of academic programs make up the outstanding music ensembles performing in our Holiday Concert. Today's musical performances show how UW-Eau Claire students take advantage of abounding opportunities to pursue their interests and develop talents beyond those directly related to their academic major. Our graduates' multiple talents are another example of their readiness to contribute in diverse ways to the well-being of their communities after they leave UW-Eau Claire.

This Holiday Concert is just one of many Blugold arts performances that occur each year on our campus, in our community and around the world. We are exceedingly proud that our talented students, as well as our distinguished and dedicated faculty, are an integral part of the thriving music and arts culture in Eau Claire and the greater Chippewa Valley.

This event that helps raise funds for music program scholarships is a special part of my annual holiday tradition, and I invite you to make it a part of yours — as well as take advantage of our university's many other arts and entertainment opportunities. A few are highlighted on page 11 of this program, and I encourage you to take in one or more of them in the weeks and months to come. You will not be disappointed!

I want to thank the department of music and theatre arts and the UW-Eau Claire Foundation for making this wonderful program possible. I am delighted you are here to enjoy the best of the season with us.

With best wishes for a joy-filled holiday,

James C. Schmidt | Chancellor, UW-Eau Claire
