¡Qué chévere! 1: Grammar and Vocabulary. 2nd ed.

I have had the pleasure of collaborating on four Spanish textbook series published by EMC (Carnegie Learning): *Somos así*, *Navegando*, *¡Aventura!*, and *¡Qué chévere!*. Each series features a variety of instructional materials for use in middle school and high school Spanish classrooms. Most recently, for *¡Qué chévere!*, Nuria Ibarrechevea Hoff (Senior Lecturer Emerita) and I co-authored three Grammar and Vocabulary workbooks that feature concise grammatical explanations along with practice activities. I also was a contributing writer for the three levels of the *¡Qué chévere!* student textbook and the Annotated Teacher's Edition.
