Sound or Recording Experience – Education or Work Related

Please attach a separate sheet if necessary.

1. List sound or recording related university courses you have taken.
2. Describe any work experiences in recording arts related endeavors (list hours and projects).
3. List other recording arts related activities in which you have been involved, particularly those that demonstrate your interest in recording arts (include list of hours and projects).

Statement of Intent

Write a short essay in which you address the following questions:

1. *What interests have led you to this choice of curriculum?*
2. *How would you like to develop your career, including tasks to be accomplished during your time at the University and for at least the next three years beyond?*
