Not on MY Watch: A Handbook for the Prevention of Sexual Violence | Isabella Rotman

Hood Feminism | Mikki Kendal

Hunger | Roxane Gay

This book list is provided both as resources for folks looking to learn more about sexual violence, as well as some framework for the work that has already been done. This work is rigorous and difficult, and is often done by women, particularly black women and women of color. What is provided here is not an exhaustive list, but rather a starting point. Please e-mail book recommendations to GSRC@uwec.edu
