

Come be a part of a growing and thriving district!

As the largest district in Minnesota, we have over 110 Speech Language Pathologists who each bring their own unique strengths, experience, and expertise to our team. With opportunities to meet as a department and in speech-specific Professional Learning Communities, our SLPs always have a community of support!

Additionally, although Anoka Hennepin is a large metro district, most schools are nestled into cozy neighborhoods and have strong ties to their community, much as they would in smaller towns.

Anoka Hennepin
is a great place to be! We'd love to have you join our team!

reasons to become
a Speech Language
Pathologist in

ANOKA

HENNEPIN

1. Support

SLP Department Leads provide leadership, mentorship, advocacy, and serve as your go-to guides for all things Anoka-Hennepin!

2. Evaluation Team

AH has a team of SLPs who conduct all initial and re-evaluations. Collaborate with those who are experts in this area, and enjoy a more balanced workload.

3. Collaborative Environment

(Learn and grow with other SLPs, as well as related service providers such as OT, PT, B/VI, DHH, Behavior support)

What our SLPs say: "I love that we have dedicated time to collaborate with other SLPs across the district, and also appreciate the support and resources we have access to for AAC."

What our SLPs say: "It's my colleagues. The SLPs continually support each other and lift each other up. Additionally, I love that Anoka Hennepin has a separate evaluation team so my focus can be on providing the therapy students need."

4. Location... Location!

Conveniently located in the North Metro - close to major metropolitan areas, outer suburbs, and the county!

5. Technology

Every SLP is issued a laptop and an iPad preloaded with speech therapy apps

6. Assistive Technology

AT Team provides specialized support, mentoring and collaboration for AAC, plus a district lending library of AAC tools

There are so MANY reasons to join us in Anoka Hennepin!

7

Flexible Placement Opportunities

(we have a Transition Program, 5 High Schools, 6 Middle Schools, 25 elementary schools, 3 early childhood centers, and a thriving Birth-2 program)

8

3:1 Service Delivery Model

(3 weeks of direct service with one week of indirect / collaboration time)

9

Competitive Pay and Caseloads

(comparable to other districts in the metro area, caseload based on workload and head count considerations. Strong teacher contract with opportunities for advancement!)

10

Professional Learning Communities

Monthly PLC group opportunities in areas of practice such as articulation, language, DCD, and ASD, as well as department meetings to keep everyone connected

11

Professional Development

(Yearly stipend provided for maintenance of ASHA CCC and district-provided professional development)
