

"My undergraduate research allowed me to show a finished, published product that endorsed my skills, determination, and dedication to projects."

University of Wisconsin - Eau Claire  
**OFFICE OF RESEARCH  
AND SPONSORED  
PROGRAMS**

*Student Research Opportunities*

**The UW-Eau Claire  
Advantage**

Since 1988 UW-Eau Claire has been the designated Center of Excellence for Faculty and Undergraduate Research by the UW System Board of Regents. We are the heart of Undergraduate Student Research in Wisconsin as we provide research opportunities to our undergraduate students that other universities often reserve for graduate students.

*We acknowledge that UW-Eau Claire occupies the sacred and ancestral lands of Indigenous Peoples. We honor the land of the Ojibwe and Dakota Nations.*

"This is the best-kept secret of UW-Eau Claire."

Faculty in every department and students of every major at UW-Eau Claire are engaged in research and creative activity. Below are just a few examples of student-involved research projects.

### MUSIC & THEATRE ARTS

Arranging for Beginning Brass: Under-Represented Composers Compilation

### ENGLISH

Language Perceptions, Borders, and Erasure in the Upper Midwest

### PHILOSOPHY & RELIGIOUS STUDIES

The Effect of Informational Power on Free Will

### MANAGEMENT & MARKETING

Impostor Phenomenon and Dark Outcomes: The Moderating Role of Abusive Supervision

### NURSING

Parent Safety at Home During Child's Home Chemotherapy: A Cross-Sectional Study

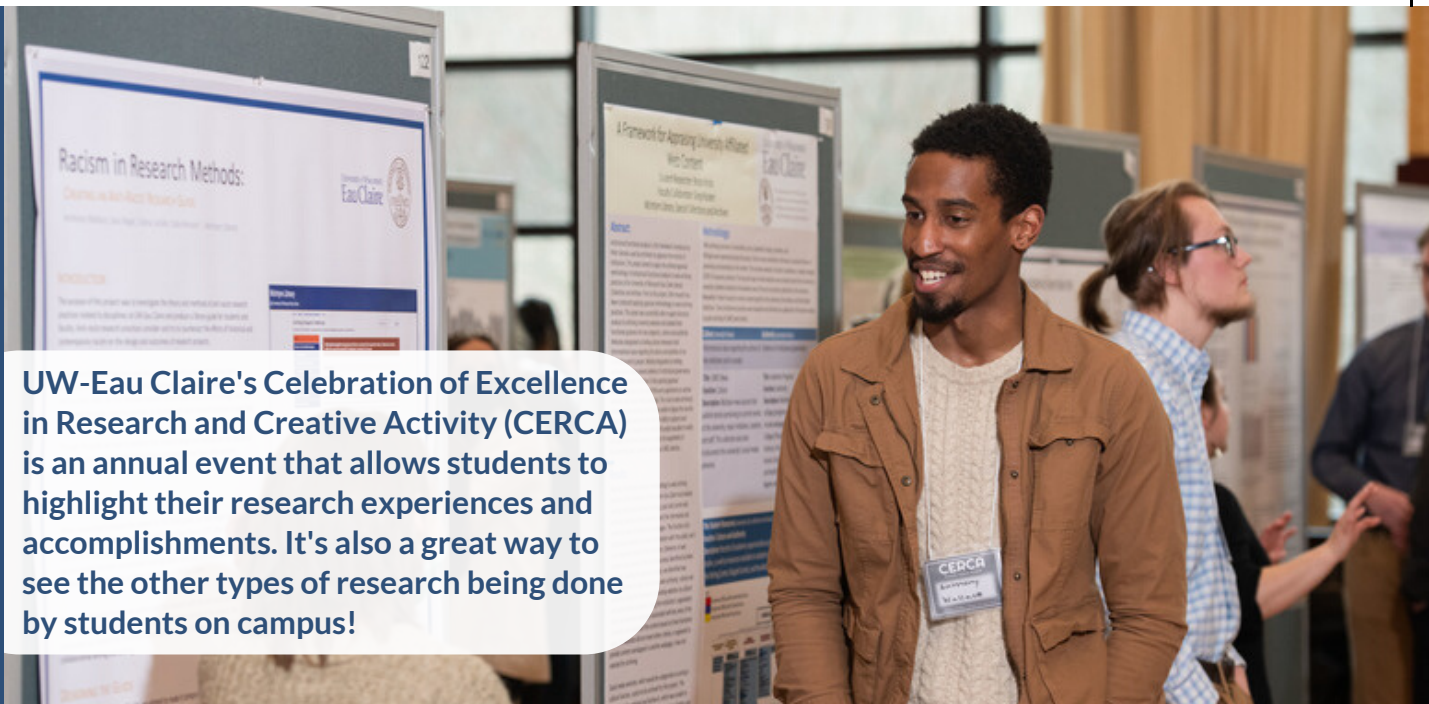

### COMMUNICATION SCIENCES & DISORDERS

Pseudo-stuttering in Fluency Disorders Coursework: Does Faking It Help Students Make It?

### COMPUTER SCIENCE

For Students - By Students: Canvas 2.0

UW-Eau Claire's Celebration of Excellence in Research and Creative Activity (CERCA) is an annual event that allows students to highlight their research experiences and accomplishments. It's also a great way to see the other types of research being done by students on campus!

### DID YOU KNOW...

Most students at UWEC are **PAID** to do research.

Students can design their own research projects with the help of a faculty mentor of their choice.

Students are not limited to research within their major or even their department.

Students can work on more than one research project at a time.

### STUDENT SCHOLARSHIPS

Each year UW-Eau Claire has competitive research scholarships for undergraduate students with junior or senior standing (during the award period).

**KELL CONTAINER CORPORATION SCHOLARSHIP**  
Awarded in any discipline.

**OUTSTANDING UNDERGRADUATE RESEARCH PROJECT AWARD**

Awarded in Biology, Chemistry, or Nursing.

**JAMES R. LARSON & VICKI LORD LARSON RESEARCH FELLOWSHIPS**

Awarded to five students, from a variety of disciplines.

### RESEARCH FUNDING OPPORTUNITIES

These grants support students in research, scholarly, and creative activity with a faculty/staff member.

**SUMMER RESEARCH EXPERIENCES FOR UNDERGRADUATES**

Facilitates summer projects.

**STUDENT-FACULTY RESEARCH COLLABORATION**

Supports academic year projects.

**DIVERSITY MENTORING PROGRAM**

Supports students of color and/or low-income students.

**INTERNATIONAL FELLOWS PROGRAM**

Funds short-term projects abroad.

**BLUGOLD BIOMEDICAL INNOVATOR PROGRAM**

Ten incoming students receive scholarships and guaranteed research opportunities with UWEC faculty mentors and Mayo Clinic Health System professionals.

### TRAVEL FUNDING

Travel awards provide funding for students presenting the results of collaborative research and creative activity at professional meetings and conferences.
