Rochester Community & Technical College to University of Wisconsin-Eau Claire Transfer Guide

While this guide outlines the general liberal education requirements at UW-Eau Claire, individual majors may have specific requirements or suggestions within these areas. Please consult with an admissions counselor about any specific requirements your intended major may have. This guide gives **examples** of courses that fit within liberal education but <u>does not include all courses</u> <u>offered through RCTC</u>. If you would like to take a course not listed on this guide, please consult with an admissions counselor to review for transferability.

Completion of an Associate of Arts degree from any two-year MnScu institution or completion of the Minnesota Transfer Curriculum (MnTC) waives all UW-Eau Claire liberal education requirements with the exception of any coursework specifically required by the major and the Design for Diversity requirement.
